Dr. B G Bhaskara, Principal, Vivekananda Degree College, Bengaluru,

Dr. Bhavani H, Associate Professor, MLA First grade College for Women

Participants: Faculty from various colleges numbering 250 approx.

REPORT ON THE DELIBERATIONS DURING THE SESSION – PRACTICALS ON SKILL DEVELOPMENT

The session commenced with the briefing by Dr. Bhaskara B G on the modalities to conduct Practicals on Skill Development followed by discussions, clarifications and final agreement on the same.

- The members decided that there shall be one single record maintained for all the units' of practicals.
- The record of practicals should be hand written records by the students and printed materials or formats should not be pasted in the record book. The students may preserve the materials collected in a file format.
- A few students' record books may be preserved by the college in the business lab for display during NAAC visit, LIC inspection or reference by faculty and students
- The evaluation of the record books for 50 marks shall be done as per the regulations of BCU.

Request made by the participants to the University

- The university may kindly send a circular to all the college principals and management instructing them to appoint faculty to teach practicals on skill development. Rather than overloading the existing for the University examination shall contain questions strictly from the syllabus given and there shall be no deviations.
- The report of the deliberations may be shared with the BOE and question paper setters while setting the question papers.
- The faculty may use their discretion in allotment of marks depending on the length of the answer, difficulty levels and contents.
